

SCOTTISH CHAMPIONSHIP ENTRY

For athletes who commit to training regularly at club training sessions, who represent the club regularly in team competitions and who are prepared to put in the effort to progress; Scottish District and National Championships are the next steps in the competition pathway and provide an opportunity to test yourself against some of the best athletes in Scotland!

As a reward and thanks to those athletes, and parents, that make a positive contribution to the club, the club will submit entries and will subsidise the entry fees for participation in Scottish District and National Championships.

As the actual cost of entry to the club can be up to £15 per event per athlete, the following conditions apply, with athletes expected to:

- Have represented the club regularly in team competitions.
- Compete in a maximum of 2 events per day, or 3 events over a weekend - as Championships will potentially have multiple heats and rounds, athletes should be focussing on competing in their strongest events and giving their best possible performance.
- Discuss event selection with their lead coach.
- Use Open Graded Meetings, not Scottish Championships, to try an event for the first time.
- Enter the Championship using the club's online entry system before the closing date advertised by the club. No late entries will be accepted under any circumstances
- Have paid monthly membership fees continuously for the previous six months, with no amounts outstanding to the club.
- For Senior level competitions, have reached the Power of 10 entry standard in the event at least once in the previous 12 months.
- Inform the club if you are unable to compete in the Championships for whatever reason.
- Reimburse the club for the cost of entry fees if you do not compete.

Athletes who do not qualify for this reward can enter Championships either direct with Scottish Athletics or via the club after payment of the appropriate entry fees.
