UKA Level 1 Assistant Officials Award

The level 1 Assistant Officials Award will help you to develop skills in the following areas and enable you to assist qualified officials at athletics events.

The Award will help you:

- To be able to measure distances, times, make and share judgements, record observations, judgements and data, ensure safety and report concerns, liaise and communicate with other officials and athletes, report rule infringements, follow procedures and apply rules.
- To be athlete – centred, fair, unobtrusive, sensitive, diplomatic, systematic, firm, focused, objective, decisive, consistent and calm.
- To know the rules of events, officiating procedures and the types of events (e.g. Track and Field, Sportshall and Off Track).
